Amendment/Response

Sir:

In the above-referenced patent application, in response to the office action dated October 14, 2010, please enter the following amendment and consider the claims as presented herein. Claim 1 has been amended, claim 62 has been cancelled and claim 63 has been added. The amendment to claim 1 is made principally to reintroduce subject matter consistent with the filing of original claim 1. Claim 62 is cancelled. Claim 63, identical in scope to original claim 5 has now been reintroduced as new claim 63. A declaration of the inventor, Ian David Kaehne, in support of the patentability of the presently claimed invention is also enclosed.
